ABOUT ALBOH

"A Little Bit of Heaven" began in 2001 and since this time they have been opening their doors to thousands of men in need. Located on the South Side of Chicago, ALBOH is one of few shelters that accepts only men. Men of all ages and races can walk into the doors of ALBOH at any time and receive 'heavenly shelter'. Providing service just to men in need has proven to be a huge task. ALBOH needs community support and that can only happen by providing the community with awareness of this great organization.
